**9AM - 4PM
DAILY**

**AUDITORIUM, NEW FACULTY OF EDUCATION
BUILDING, RIVERS STATE UNIVERSITY,
PORT HARCOURT, RIVERS STATE.**

RIVERS STATE UNIVERSITY
NIPOLO-OGBOMOSO, PORT HARCOURT, RIVERS STATE

Admission into
INDUSTRIAL TECHNOLOGY EDUCATION DEPARTMENT
2026/2027 ACADEMIC SESSION

The department of Industrial Technology Education invites suitably qualified candidates to apply for postgraduate programmes.

INDUSTRIAL TECHNOLOGY EDUCATION DEPARTMENT

PROGRAMMES AVAILABLE

- BUILDING TECHNOLOGY
- ELECTRICAL/ELECTRONIC TECHNOLOGY
- MECHANICAL TECHNOLOGY

Advance your career with innovative research, expert mentorship and impactful learning.

POSTGRADUATE PROGRAMMES

- PGDTE (Postgraduate Diploma in Technical Education)
- MASTER'S DEGREE (MSc (Ed))
- DOCTOR OF PHILOSOPHY (PhD)

WHY CHOOSE US?

- Industry Employment
- Self-Employment
- Technical Education Institute and Training
- Technical sector Career

ADMISSION REQUIREMENT
A candidate who holds PGDTE in the relevant discipline or an equivalent Diploma with CGPA of 3.50 or above, for a three-point grade system, may apply for the master's programme.

NATIONAL ANTHEM

Nigeria, we hail thee,
Our own dear native land,
Though tribes and tongues may differ,
In brotherhood we stand
Nigerians all, are proud to serve
Our sovereign Motherland.

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honoured,
And this we count as gain,
To hand on to our children
A banner without stain.

O God of all creation,
Grant this our one request:
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

NATIONAL PLEDGE

I pledge to Nigeria, my country
To be faithful, loyal and honest
To serve Nigeria with all my strength
To defend her unity and uphold her
honour and glory
So help me, God

RIVERS STATE UNIVERSITY ANTHEM

RivSU, RivSU we sing of thee
Flower of knowledge and peace
In the garden city stands a tree
From whence inspiration comes
That peoples of many a tongue
Come and search and find the Golden
Fleece
All for simple and humble song
All for excellence and creativity

RivSU, RivSU we sing of thee
Flower of knowledge and peace
Busy we toil much as the bee
Fruitful science and tech we grow
Keeping in motion the wheel of truth
Waters of the rivers always flow
To build a nation in truth
All for excellence and creativity.

AWARD RECIPIENTS' PROFILES

Fellowships

PROF. PAULINUS CHIJOKE OKWELLE
FABEN, MNAE

Professor Paulinus Chijioke Okwelle, FABEN, MNAE.. Professor Paulinus Chijioke Okwelle is a distinguished Professor of Industrial Technology Education at Rivers State University, Port Harcourt, Nigeria, and former Executive Secretary (ES) of the National Commission for Colleges of Education (NCCE). As ES, NCCE, he brought so much reforms to teacher

education development including the Dual mandate policy that allows Colleges of Education in Nigeria to concurrently award NCE and degrees Abuja (2021-2026). He holds a Ph.D. in Technical Education from Nnamdi Azikiwe University, Awka; a Postgraduate Diploma in Electrical Engineering from Rivers State University; a Master's degree in Industrial Technical Education from the University of Nigeria, Nsukka; and a Bachelor's degree in Technical Education (Electrical/Electronic Technology) from Rivers State University. With over three decades of experience spanning academia, educational administration, technical and vocational education and training (TVET), engineering practice, and educational policy, Professor Okwelle has served in various capacities including Head of Department, Director of the Institute of Education, Associate Professor, and Professor at Rivers State University. He also served as Professor on Sabbatical at the Federal University Otuoke, Bayelsa State. Professor Okwelle has received specialized professional training in the oil and gas industry and advanced leadership development training from prestigious institutions, including Columbia University, New York, and the University of Oxford, United Kingdom. He is a Fellow of the Association of Business Educators of Nigeria (ABEN), Fellow of the Institute of Educational Leadership Practitioners of Nigeria (IELPN), Fellow of Industrial Technology (FITE) of the Industrial Technology Department, University of Nigeria, Nsukka, Member, Technology Education Practitioners Association of Nigeria and a member of several national and international professional bodies. At the national and international levels, he has represented Nigeria at several UNESCO conferences and policy engagements and serves on the governing boards of key educational institutions and agencies, including TETFund, TRCN, and NELFUND. His scholarly and professional interests focus on technical and vocational education, industrial technology education, educational leadership, workforce development, innovation, and human capital development. Professor Okwelle is widely recognized for his contributions to the advancement of Technical and Vocational Education and Training (TVET), educational leadership, teacher education, and national educational development in Nigeria. He has supervised many Masters and Doctoral postgraduate theses.

PROF. ISAAC NWOJIEWHO DOKUBO

Professor Isaac Nwojiewho Dokubo is a distinguished Nigerian academic specializing in Industrial Technology Education. He is the Dean of the Faculty of education Rivers State University Port Harcourt. He was a former Head of the Department of Vocational and Technology Education Rivers State University Port Harcourt. He also serves as a professor at Rivers State University (RSU) in Port Harcourt, where he contributes significantly to the Department of Vocational and Technology Education. His academic journey includes degrees in Quantity Surveying, Industrial Education, and Educational Administration and Planning, culminating in a Ph.D. in Industrial Education from the University of Calabar. Additionally, he holds an honorary Ph.D. in Educational Management from the Swiss School of Business and Management (SSBM) in Switzerland. Professor Dokubo's research focuses on enhancing vocational and technical education (TVET) in Nigeria. He has developed models like the "Dokubo Model of Efficiency Enhancement" to improve skills training and promote sustainable development. His work emphasizes the importance of aligning educational programs with industry needs, particularly in the oil and gas sector, to bridge the indigenous manpower gap and foster sustainable peace in the Niger Delta region. Beyond academia, Professor Dokubo is actively involved in promoting quality education and technological advancement. He is a senior member of the International Summit of Leaders, reflecting his commitment to global educational standards. His contributions to vocational education and his efforts to integrate practical skills into the educational system have made him a prominent figure in Nigeria's academic landscape.

PROF. ISAAC OGUNDU

Professor Isaac Ogundu was born on 27th October, 1972 and hails from Ibaa, Emohua, Rivers State. He is a professor at the Department of Technical Education, Faculty of Vocational and Technical Education, Ignatius Ajuru University of Education. Prof. Ogundu began his educational sojourn in 1985 at the Central State School. From there he proceeded to Uvahua Comprehensive High School, Ibaa for his secondary school education.

Fellowships

Tertiary institutions attended include Rivers State College of Education, Port Harcourt, University of Ibadan, Rivers State University, Port Harcourt and University of Nigeria, Nsukka where he bagged BSc, M. Tech and PhD degrees respectively. Prof. Ogundu has written over 70 publications and is also actively involved in community service such as resource person on Capacity Building for Teachers' Development in 2013, resource person on Capacity Building for Teachers' Development in 2014 and West African Book Publishers' Workshop for Teachers in 2014, Departmental Examination Board Chairman, 2009-Date. In addition to the aforementioned feats he has held several positions such as Project Coordinator, 2009-2016, Member University Ceremonial Committee, Chairman Departmental Committee on Postgraduate Programme Draught in 2013, Chairman Faculty Publication and Conference Committee (2017-Date), Editor Journal of Science and Technology (2015-Date), Reviewer European Scientific Journal (2012-Date), Faculty Coordinator Business Committee (2014-2015), Member, African Deans of Education Forum (ADEF), Member Postgraduate Examination Committee for PhD Candidate (Group A: Science and VOTECH): 2020, Chairman Departmental Committee on Postgraduate Programme Draught (2013). The fastidious qualities he possesses have earned him several meritorious awards such as the Excellent Achievement Award presented by the pioneer Ph.D students 2017/2018 session, Department of Technical Education, Faculty of Vocational and Technical Education, Ignatius Ajuru University of Education, Rumuolumeni, Port Harcourt. Meritorious Service Award as Chairman of Research, Conference and Publication Committee presented by the Dean of the Faculty of Vocational and Technical Education in 2018. First Department to Submit Their Postgraduate Work to Postgraduate School Award in 2017. Prof. Ogundu loves reading and traveling and has visited countries like Finland, Mauritius to attend academic conferences and still lectures at Ignatius Ajuru University of Education till this day. He has supervised over 75 postgraduate

He later went to Federal College of Education (Technical) Asaba, where he obtained NCE (Technical) in Building Construction and Woodwork Technology. Because of his passion in technical education he went further to obtain BSc (Ed) in Technical Education, University of Benin, Edo State. Furthermore, He attended the Prestigious Rivers State University of Science and Technology in Port Harcourt Rivers State for his second degree where he obtained MEd in Industrial Technical Education. In his pursuit of his Technical Knowledge, he went to Enugu State University of Science and Technology where he obtained his PhD in Building Construction/Woodwork Technology Education. In 2010, he was employed with Niger Delta University (NDU), Bayelsa State where he went through rank and file till he became a Senior Lecturer in the Department of Technology Education, Faculty of Education Niger Delta University. In 2022, he joined Rivers State University (RSU) as a reader and was appointed as the Pioneer Head of Department, Department of Technology Entrepreneurship, Faculty of Entrepreneurial Studies, Rivers State University Port Harcourt where he served for 2 consecutive tenures. He was later redeployed to the Department of Industrial Technology Education, Faculty of Education Rivers State University. He was promoted to the rank of Professor 2025 in Industrial Technology Education. Professor Theophilus Ehijele Ehimen is a teacher, mentor, and a technical guru.

PROF. THEOPHILUS EHIELE EHIMEN

Prof. Theophilus Ehijele Ehimen was born to the family of Late Mr, Dennis Ailenbata Ehimen and Madam Ailenbata Dennis, he attended State School Oduoha Ogbakiri Rivers State where he obtained his primary school leaving certificate.

Then-after, he attended Usugbenu Grammar School and later proceeded to Uromi Technical College in Edo State where he obtain "WAEC Technical

Certificate in concrete practice", FCC (Federal Craft Certificate) and Trade test class II & III Standard in Bricklaying and Masonry.

PROF. KOKU KEMENANAEBI OBIYAI

Professor Koku Kemenanaebi Obiyai, Born in Polaku-Gbarain in Yenagoa LGA of Bayelsa State on the 6th of September 1960 to Ofori-ata 1 Obiyai and Mrs. Tinyou A. Obiyai, both of Blessed memory. He was educated at Roman Catholic Primary School Obiaruku (then Mid-West) and Taylor Creek Primary School Okolobiri in Bayelsa State from 1968 - 1973. To complete his

secondary education, he attended two notable secondary schools, GSS Kaiama and GSS Okolobiri both in Bayelsa State. The period span from 1874 to 1979. He obtained his B.Sc (Hon) degree in 1985 from RSUST, Port Harcourt, Rivers State. After the one-year mandatory National youth Corp service in Oporoma Grammar School, Patani (then Mid-West State) in present Delta State, he started his career as a Teacher with International Secondary School RSUST Port Harcourt, later at Federal College of Education (Technical) Omoku in Rivers State.

Fellowships

Not satisfied with the Bachelors degree, he proceeded to pursue a Master Degree in Agricultural Education at the University of Nigeria Nsukka, Enugu State in 1991 and obtained it in 1993. Again, not yet satisfied with the Master Degree, he further enrolled for the Ph.D programme at the Federal University of Agriculture Makurdi, Benue State and obtained a Doctor of Philosophy Degree in Agricultural Education in 2010. He became the first to obtain a Ph.D degree to crown his hard work and humility in the College of Agriculture and Science Education in 2010 at the Federal University of Agriculture, Makurdi, Benue State. This made the University to offer him an appointment to Lecture but he decided to come back home to contribute his quota towards the development of his department and faculty of Education in Niger Delta University, Wilberforce Island, Bayelsa State. While at the University of science and Technology as a student, his Sterling leadership qualities manifested and bloomed. No wonder he was elected as the Assistant Secretary of the Association of Technological Education students and later Chairman, Finance Committee of the Students Representative parliament in 1983 and 1984 respectively. He was employed in 2002 as an Assistant Lecturer in the Department of Vocational and Technical Education. He grew steadily through the rank and file in the University system. He was ultimately promoted to the rank of Professor of Agricultural Education in 2023. He is the second Professor of Agricultural Education that has been produced by the Niger Delta University. He served his department in various capacities; Co-ordinator part-time, and Sandwich programmes, Academic Adviser, Chairman, departmental unbundling committee, and 2018-2021 as the Acting Head of the Department of Vocational and Technology Education. At the faculty level, He has also served in various committee. He was member of the faculty, post graduate committee, Dean advisory committee, 2018 - 2021 Faculty representative to faculty of Law, co-ordinator, faculty of postgraduate programme 2016-2018, member, faculty handbook/Prospectus committee. Member Finance committee - 3rd Annual Conference of Faculty of Education 2017. He is a member of numerous academic and professional learned societies. Some of them are; Nigeria Vocational Education Association, Fisheries Society of Nigeria, Agricultural Educators of Nigeria, Agricultural Teachers Association of Nigeria, Nigeria Society of Indigenous knowledge and Development (NSIKD), Science Teacher Association of Nigeria (STAN), Association of Vocational and Technology Educators of Nigeria (AVTEN), Nigeria Association of Technology Teachers (NATT). Technology Education Practitioners Association of Nigeria (TEPAN). He has over 70 publications in reputable local and international journals, 5 textbooks and 11 book Chapters in textbooks/book of reading. He has traveled widely to attend workshops and Conferences, which have enriched his performance and experience in the University.

He has great interest in teaching and human capacity development, also he was resource person in three workshops that centre on Training of men and woman on Entrepreneurial and vocational skills 4th - 7th October sponsored by FHI 360, Training of Extension Advisers at ADP Yenagoa sponsored by Federal Ministry of Agriculture and Water Resources and Relevance of Vocational and Technology Education in Community Development sponsored by the Ministry of Local Government and Community Development. Similarly, Professor has provided knowledge in various workshops and training. Apart from serving the University, Obiyai also worked under five Military Administrators and Civilian governors. It is a truism that a gold fish has no hiding place, hence his vast potentials were spotted.

1. 1990-1991 He was appointed member of Old Yenagoa Local Government Area by Group Captain Ernest Adeleye - in charge of Health and Community Development.
2. 1994-1999 He was appointed Education Secretary - Yenagoa Local Government Education Authority by Col. Dauda Komo.
3. 2001-2003 He was appointed Special Adviser to the Governor on Local Government and Chieftaincy Affairs by H.E.D.S.P Alameyeseigha
4. 2006-2010 He was appointed Board 1 Bayelsa State Scholarship Board by H.E Goodluck Obele Jonathan.
5. 2012- 2015 He was appointed as Special Adviser to the Governor on Agricultural Matters by H.E Seriake Dickson.

Professor Obiyai Hobbies are reading, listening to Awigiri music and football. He is blessed with beautiful wife and children. He is an amiable gentleman, diligent, articulate, focused, humble, accessible and quintessential leader.

ENGR. DR. CLINTON NWACHUKWU IDIBIA

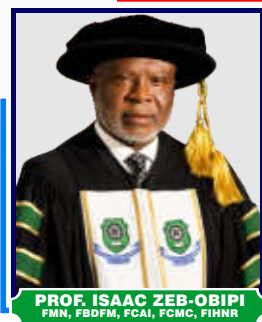

Engr. Dr. Clinton Nwachukwu Idibia is currently the Dean, School of Technical Education, Federal College of Education (Technical) Omoku, Rivers State. He is a distinguished engineer, researcher, and educator with extensive expertise in Mechanical, Electrical, Instrumentation, and Process Control Engineering. He holds a Nigerian Certificate in Education

(NCE) in Technical Education (Mechanical Technology), a Bachelor of Engineering (B.ENG.) in Mechanical/Production Engineering, a Master of Engineering (M.Eng.) in Thermo-Fluid Engineering, and a PhD in Energy and Thermo-Fluid Engineering. Over the years, he has acquired advanced professional training and certifications from renowned international institutions and organizations in France, Germany, and the United Kingdom.

Honourary

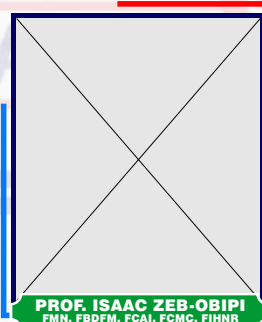

His areas of specialization include rotary screw compressor technology, dosing systems, machinery health management, advanced vibration analysis, alignment and balancing of rotating machinery, predictive maintenance, and high-speed centrifugal pump and compressor technology. Engr. Dr. C. N. Idibia combines academic excellence with extensive industrial experience, making significant contributions to engineering practice, research, and technological development, also offering technical consultancy services to several sectors in Nigeria and outside the country. Engr. Dr. C. N. Idibia is happily married and the marriage is blessed with kids.

PROF. ISAAC ZEB-OBIDI
FMN, FBDFM, FCAI, FCMC, FIHNR

DR. PETERS NWAGOR

PROF. ISAAC ZEB-OBIDI
FMN, FBDFM, FCAI, FCMC, FIHNR

DR. EKWUEME ORIKOHA

Dr. Ekwueme Orikoha is a lecturer with the prestigious Rivers State University with a PhD in Vocational and Technology Education and numerous research projects and publications to his credit, some of his research works are visible at Research Gate and other scholarly platforms. Training as a professional in Vocational and Technology Education has also aroused

the interest of Dr. Ekwueme Orikoha in community Development which has been the reason for accepting to serve at the grassroots when ever the opportunity present itself. Dr. Ekwueme, has served Akabta Community as the community development Committee chairman, this further showcased his love for offering service to the people and the late King of Egi Kingdom could not resist the outstanding nature of Dr. Ekwueme Orikoha as he went on to announce him a tactician to the monarch, King Prof Anaele Uzundu. He has since then soared from one community service to another, including the position of the very first chairman of CDB Egi-Igburu GMoU Cluster under SPDC. He is presently the HCDT, BoT chairman of Egi-Igburu with RENAISSANCE as it's SETLOR and this has also afforded him the opportunity of becoming the RENAISSANCE/OILSERV community project interface at the Egi-Igburu end of ASA NORTH-OBITE GAS PIPELINE PROJECT and the project interface of PONTECILLI/RENAISSANCE at the ASA NORTH-OBITE GAS PIPELINE PROJECT. Under his leadership and through the prudent management of small resources available to Egi-Igburu HCDT, he has been able to carry out the under listed projects since 2023 till date.

- 1) The fencing of Obite Primary school. Completed.
- 2) Renovation of Obite Primary school.
- 3) Teachers quarters of Obite Primary school, at Tendring stage
- 4) Full rehabilitation of Obite, Egita, Akabta, Ohiauga and Ikiri Road, fully completed.
- 5) Water projects, solar powered and reticulated to the entire board communities is ongoing and nearing completion with tank stationed at Akabta.
- 6) Fencing of the proposed school of technology at Ohiauga has been completed. Tender for actual school building, at an advance stage.
- 7) The feasibility study and engineering design for Ikiri water bottling company has been duly concluded. Contract also awarded for the actual project.
- 8) it is on record that Egita community has never had an internal road in any part of their community. We have concluded our first phase of their internal road and the Contract for the second phase has also been awarded.

- 9) The contract for a factory in Akabta, for the production of Palm canal oil, palm oil and all categories of casava products has been awarded.
- 10) Reasonable amount of scholarship distributed yearly.
- 11) RENAISSANCE LIVEWIRE EMPOWERMENT PROGRAMME.
- 12) LEE ENGINEERING, skills acquisition programme.

This is to mention but a few of notable achievements through our Egi-Igburu Host Community Development Trust under the leadership of Dr, Ekwueme Orikoha. Dr. Ekwueme Orikoha, is also involved in charity and Humanitarian services, a socialite and a member of Port Harcourt Grey Style Club. A devoted Catholic. He has a beautiful wife and lovely children.

ARC. DR. SAMUEL IDEOZU

Dr. Samuel Ideozu is a registered and licensed Architect with Architect Registration Council Of Nigeria (ARCON) in Nigeria, an Associate Member of the American and Canadian Institutes of Architects, and a full member of the Nigerian Institute of Architects, member of Science Teachers Association of Nigeria (STAN),, the Nigerian

Association of Teachers of Technology (TEPAN). He is currently Head of Department, Building Technology at the Federal College of Education (Technical), Omoku, where he advances TVET through teaching, research, and academic leadership. His research includes amongst so many "Digital Skills Requirement for Delivery of TVET in a Pandemic in Universities in Rivers State, Nigeria,"_ and he champions skills-based, competitive programmes to produce globally relevant graduates in design, construction technology, and entrepreneurship. He is British and Nigerian trained, with a Master's in Architecture from the University of Greenwich, London, and a Master's in Technical and Vocational Education from Rivers State University. He holds a PhD in Building Technology and is pursuing a second PhD in Architecture at Rivers State University. He is a distinguished scholar with several local and international publications. He previously worked as a CAD Technician/Pipeline Designer with Zakhem Baywood Joint Venture Nigeria PLC, 2011-2013, and served as Adviser on Empowerment and Revenue Generation to the Ahoada East LGA Chairman. He is married to his lovely wife Ann Chigushim Samuel Ideozu with four children.
